

Troop 1140

Boy Scouts of America

Dear Scouts, Families, and Friends of Troop 1140,

We write to once again ask for your assistance and cooperation with the collection of our annual scouting activity fee and annual charter renewal efforts. Aside from the Troop activity fee, the annual charter renewal process includes the collection of fees for the annual registration of the Troop and its members, the BSA annual insurance and the subscription to Boy's Life magazine.

Boy's Life Magazine:

It is Troop 1140's policy that every Scout participating in the Troop has a household subscription to Boy's Life magazine. This magazine is the official publication of the Boy Scouts of America. It is the Scoutmaster's and the Troop Committee's belief that it is an integral part of the scouting experience and enriches Troop and scouting activities.

Adult Members:

Registered adults are needed for our Troop to operate effectively. All adult leaders, Committee members, and adults serving on Boards of Review must be registered with the Troop. Even if you cannot be active on a regular basis, please consider serving once or twice a year on the Boards of Review by interviewing scouts for rank advancement and getting their views on Troop operations. *We urge you to seriously consider registering at least one adult from each family.* Registration forms are available on our Troop website at www.troop1140.org.

BSA Medical Form Change:

BSA has changed its medical forms this year. Starting in 2010, each Scout and adult leader must complete Parts A and C annually. *Please submit them with your registration.* Part B will be required for activities lasting longer than 72 hours, such as summer camp. These forms are available on the Troop 1140 website.

Registration:

All registration forms are available on our Troop website. Please mail your completed membership application with your check, payable to Troop 1140, to me at my address below or return them to me at the next Troop meeting. **They are due no later than November 18th.** *Please* help me keep this deadline since we need all registration information in order to begin the charter renewal process.

The amounts below will cover the period of January through December, 2010.
