SILVER BEAVER AWARD ANNOUNCED

The National Area Council has announced the 2011 Silver Beaver Award recipients. Congratulations to **Steve Richardson** of the Old Dominion District on earning the Silver Beaver Award.

OLD DOMINION 2011 SPRING CAMPOREE

April 29th through May 1st

We're camping at the Harpers Ferry KOA [http://](http://www.harpersferrykoa.com/)

www.harpersferrykoa.com/. Parking is at a premium so plan ahead to take as few vehicles as necessary.

We will have Civil War reenactors camping with us and there will be program opportunities to visit their campsites and Scouts will have an opportunity to go through a short "Camp of Instruction" and see what Civil War era boot camp was like.

The campground is a half mile walk to the National Park visitor center where scouts and scouters can catch the park shuttle busses into the historic town. Be aware that there is practically no parking available in the town.

There is a Harpers Ferry Heritage Trail through the park and we will provide you the Heritage Trail guidebook. If you complete the questionnaire a special Heritage Trail patch can be purchased at the Camporee for \$3.50. We will also have a scavenger hunt in conjunction with the heritage Trail hike.

If you want a longer hike we have the 10 mile Maryland Heights trail hike that will take you by foot down into Harpers Ferry, across the Potomac River, up Maryland

COMMISSIONERS' CORNER

Commissioner Staff News

Welcome to new commissioners: Will Nelson, Christine Stewart, and Tom Petersen. Much thanks to Dora Judson for serving units in the LDS community for many years.

Roundtable Attendance for January

Cub Scout – 35 scouters from 17 out of 37 units (46%)
 Boy Scout – 36 scouters from 19 out of 34 units (56%)
 Venturing/Varsity – 10 scouters from 4 of 23 units (17%)

Charter Renewal

A number of charter renewals have been held up by missing applications, YPT for adult leaders, needed information and other reasons. Our acting District Executive, Dan Anderson and ADC for Charter Renewal, Hubert Fry will be in touch with your and/or your units soon to track down these missing pieces. January Roundtable would be a very good time to have your units bring these items in to hand off directly to Dan.

Centennial Quality Program

Final result – 75 out of our 92 units earned the Centennial Quality Unit Award (81.5%). This was second highest result in the Council. Thank you to everyone for getting these in and to Don Palomaki for tracking and reporting progress. It was also a key contribution that has resulted in our designation as a 2010 Quality District – Congratulations to all !

Journey to Excellence Program

The new program has been presented in our recent meetings and email communications. Key points and next steps:

- Units have been informed passively (Old Rag, flier in hanging files, short roundtable brief). It is now up to commissioners to actively inform them of this program and how it can help them.
- Download/print the forms either from the BSA website or Old Dominion Commissioner web page. Go see your unit leaders within the next month and sit down with them. Go over the program and form with them. Sit down with them periodically to chart progress.
- Remember your units do not have to fill out the form until the end of the year, but should use it as guidance during the year in planning and evaluating their progress.
- One of next year's District performance measures will be the percentage % of our units earning a bronze award.

Training

1. Old Dominion was represented very well at Commissioner College on January 22nd (nearly 20 attendees out of ~180 total).

2. If you missed our own Commissioner College or want to further expand your commissioner education from the point of view of "how they do it in other Councils," here's some info on two nearby colleges:

- Baltimore Area Council's University of Scouting will be held on Saturday, March 12, 2011 at the Carroll County Community College, Carroll County located on 1601 Washington Road in Westminster. It's just up the road off Route 32.
- A multi Council University of Scouting (including the commissioner college) will occur April 9th in Lancaster, PA, (flier attached to my last commissioner staff meeting summary email)

Link to Baltimore <http://www.baltimorebsa.org/openrosters/ViewOrgPageLink.asp?LinkKey=32894&orgkey=749>

3. See page 9 of this newsletter for other Commissioner training opportunities (especially Commissioner Basic Training for our new commissioners).

Commissioner Support at Klondike Derby. Commissioners were visible and active at the Klondike Derby. From David Best as one of the Golden Spoon judges, to Dennis Ratliff claim jumping, to Cyndy Blake and Dean Stinson as critical members of the Klondike Staff. Others manned stations - Seth Distler, Mark Burrows, Scott Romans. Thanks to all for providing quality commissioner service and contributing to a highly successful district event !

Commissioner Neckerchiefs: Vickie will have our new neckerchiefs available at roundtable and other district activities. The cost is only \$12. These are only for Commissioners to help our units identify us when commissioner service is needed.

Unit Visit Tracking System: Don't forget to enter your January visits! Another District J2E measure is number of visits logged into UVTS over the course of the year. The clock started January 1st - log your visits today!!! For those who are having difficulty logging into the system, try the Help Hotline first at 1-972-672-4389. If registration seems to be the issue, let me know and we'll try to fix the problem.

Unit Health Reports: If you haven't provided your unit health report yet, send it to Don Palomaki. If you don't have time for the written form, just email him with the Red/Yellow/Green assessment. Send to:

CHAIRMAN'S NOTES

Acceptance

This month I want to explore the word acceptance and how it relates to scouting. Over the last month or so, I have been made aware of several incidences of frustration from volunteers over what most would call minor issues but to them were important. This district is full of dedicated scouters who are passionate about their particular roles and that is one of our strengths. We all need to accept people for what they do and appreciate their worth to our organization.

As volunteers we all have value and give something very special to scouting and that is our TIME. Time is something everyone has but a volunteer chooses to give some of theirs away to help others. How much time an individual has to give is different for each person. Accepting that, rather than judging it is the key to success. Every scouter plays an important role in our district and I am grateful for you all!

MEMBERSHIP NOTES

Spring is right around the corner—come to Spring Roundup Training

- When: Thursday, February 10th at 7pm (right before Roundtable)
- Where: Thomas Jefferson HS Cafeteria
- Who: Both Cub Scouters AND scouters (yes, that means you, Mr. Scoutmaster!)
- Why: Because spring is a GREAT time to recruit new Scouts, we'll provide you the tools!

It sure has been a cold winter, but don't let that fool you--Spring will be coming around the corner before you know it—and with it, Spring Roundup! What is Spring Roundup? Well, on June 1st all of those current Kindergartners whose parents asked about Cub Scouts at Back to School nights will be 1st graders in the eyes of the BSA. In addition, all of those current 5th graders will be 5th grade graduates and ready to join the Boy Scouts. We'll be providing your leaders insight on how to plan and execute an effective Spring Roundup of all those new Scouts for your unit.

Help Wanted: Cub Scout Recruiting Coordinator

We continue to have a vacancy in the critical position of Cub Scout Recruiting Coordinator. This scouter is responsible for training our pack leaders, supporting their recruiting efforts in the spring and fall, and tracking results to identify packs that may require assistance. This is a great opportunity for a “graduating” Cub Scouter whose son is moving on to Boy Scouts to help our ODD packs “Do their best.” Please send a note to Dan Ehrlich at cubmaster678@verizon.net to volunteer.

Webelos to Scout: Hey, Troops—are you ready for your new Boy Scouts?

Alright, Scouters—time for a pop quiz:

1. Has your PLC planned for the new Scouts that will be bridging to your troop? Have you?
2. Is there a Troop Guide designated?
3. Are you organizing a New Scout Patrol?
4. Have you scheduled a New Scout parents briefing?
5. Will you use a “First Class, First Year” advancement target approach?
6. Do you know where to go for help?

Remember, your New Scout retention rate will be proportional to your New Scout planning rate. Here's a hint for the answer to question 6—look at the “Need Help?” article here in the Membership section!

Holly Brown	District Chairman
Scott Staron	District Commissioner
Daniel Anderson	District Executive
Nam Chi	Vice Chairman, Marketing
Don Palomaki	Editor, 703-455-9262 email: dpalomaki@dspalomaki.com

The Purpose of the Old Dominion District is to serve the Scouting needs of the units in the District.

GEAR UP FOR LEADERSHIP AT ROUNDTABLE

Every 2nd Thursday except July.

CUBSCOUTS

Cub Scout Round Table for February—our core value is Compassion. We will include updates on the upcoming University of Scouting training opportunities, the new Journey to Excellence program and how it works, District Pinewood Derby and preview of NCAC Centennial events for later this year.

We also have several special interest splits to include: Emergency Preparedness Award, Webelos camping, Summertime Activities award, Selecting Pack Leadership and Updating your Pin so prospective Scouts can find your unit.

As always, there is a lot of useful information, helpful program ideas and fellowship with other great leaders. So come out to join us on Feb 10th at 8 PM in the cafeteria at TJHSST and bring back the tools to help your Pack go.

BOY SCOUTS

Guest Roundtable Commissioner Dennis Ratliff will present alternatives to tent camping, with the main topic being hammock camping. After several of years sleeping on the ground and on stiff cots as a scout leader and in the military, his back began to protest. A scoutmaster from one of his boys' former troops got the unit into hammocks as an alternative. Dennis will discuss the basic concepts of hammock camping (equipment), the different models/designs available (and costs), the advantages and disadvantages of hammocks versus tents, and a live action demonstration. Also a preview of the upcoming Spring Camporee. Don't miss it !

VARSITY

This month's Varsity Roundtable will be presented by our guest Varsity Roundtable substitute staffer, Regan Brough. The topic will be *How to achieve great results through Coordination of the Adult Varsity Committee, Program Advisors, and their counterpart Youth Program Managers.*

VENTURING

Venturing Forum will have a variety of learning, news, and activities including: a tutorial on how to present Venturing to a non-Scouting organization, news on upcoming events, a fun and physically moving activity from the Venturing Forum Manual or the new Introduction to Leadership Skills Course. →

DISTRICT PINWOOD DERBY MARCH 12, 2011

Old Dominion District Pinewood Derby 12 March 2011 at the Springfield Mall. Rules and registration forms available from ODD website: Document and Forms link (see link below)

Who can enter? All cars entered as Show competitors compete for all trophies – i.e. if a car won best in show in your pack, it could win “Best Scout Spirit Design” at the District, a car that won Best Racecar Design for your pack, could win Best in Show for its age group.

Registration of cars for the derby starts at 8:00 AM. Boys registering their cars for the speed events should expect to have their cars checked to see that they meet all of the rules. We hope to start racing at about 9:00 AM. We have four tracks to expedite the racing and we will start with the youngest boys first. The finals will be held after the age based racing is finished.

Cost - \$8 per boy. Each boy will receive a collector's item, One of a Kind, Old Dominion District Pinewood Derby neckerchief slide – see the design above

Trophies (huge Trophies) for 1st, 2nd, and 3rd place for Tiger, Wolf, Bear, Web I and Web II for Speed and Show as well as 1st, 2nd and 3rd place (really huge) trophies for overall winners in Speed and Show. There are also, as mentioned, five additional trophies District wide for Best Racecar Design, Best Military Design, Best Scout Spirit Design, Most Humorous Design, and Most Innovative Design. Show judging will be going on while the races are being held. As soon as all races are finished, we will award the trophies. Hopefully, the event will be concluded by 2:00 PM

Max participation – if your speed winner can't make it – keep going down the line until you find a boy who can come – same with show – send the boys out – they will love looking at all the cars from the many Packs in our area.

Heights to see the stone fort ruins then back down to town and return to the campground.

On Saturday at 9:00 am and 1:30 pm we have arranged for two special 90 minute tours geared to the adults (youth can go as well) led by renowned volunteer historian Jim Prentice. These two guided tours will cover the history of Harpers Ferry from Robert Harper's ferryboat enterprise in 1747 through George Washington, Thomas Jefferson, Lewis and Clark, John Brown, the Civil War and into the 20th century with the Niagara Movement, precursor to the NAACP.

Bring your bikes and ride from the campground down through Harpers Ferry, walk your bike across the railroad bridge walkway and ride up the C&O Canal for some great scenery. Take a 10 or 20 mile round trip.

While in Harpers stop by the Appalachian Trail Conservancy headquarters and visit their bookstore. If you hike the Heritage Trail you will have hiked a small portion of the Appalachian Trail and that entitles you to purchase the Appalachian Trail patch in the Conservancy store for \$2.50

Horseback Riding – We have contacted Elk Mountain Trail and have reserved approximately 25 “saddles” for Saturday morning and afternoon. The horse farm is a short drive from Harpers Ferry. More info on this will come out in the Camporee Guidebook.

We will also have opportunities for the older Scouts and Venture Scouts to whitewater raft on the Shenandoah River. Details will be in the upcoming Camporee Guidebook.

The Camporee patch show at the top of this article has three tabs at the bottom. You get to earn each piece by participating in each of the following activities:

- Segment One - Going through historic Harpers Ferry and completing any one of the hikes.
- Segment Two - Visiting the reenactors' camp.
- Segment Three - Participating in the service project. Scoutmasters will certify how many Scouts and Scouters completed the requirements for the segments.

Complete information on all these activities and more can be found in the Camporee Guidebook due out later in February. For questions please contact Camporee Director, Jerry Prentice at jerry@prenticegroup.com or 703-425-1589.

MERIT BADGE COUNSELORS IMPORTANT UPDATES

Two issues have to be addressed in the management of the ODD Merit Badge Counselor (MBC) list. First, all adult volunteers must have completed Youth Protection Training (YPT). Second, the ODD MBC list differs substantially from the NCAC ODD MBC list.

BACKGROUND

- MBCs must register with the BSA by submitting an Adult Application with proof of current Youth Protection Training (YPT). YPT is available on ScoutNet and can be accomplished before a Scouter/MBC is officially registered. [www.myscouting.org].
- ALL adult volunteer positions require a separate registration. For example an individual serving as an SM, MBC and holding a District position, is required to submit three separate Adult Applications.
- MBC registration is through the District, whether the MBC elects to work with a single unit or serves multiple units. The Adult Application, proof of YPT and the Merit Badge Counselor Information form (BSA # 34405) need to be submitted to the ODD MB Dean, address below. YPT compliance can be verified with either a copy of the certificate or the ID # from ScoutNet.
- MBC registration is no-fee.
- The Merit Badge Dean will manage the MBC program and maintain a list of ODD MBCs. This list is available upon request and will be distributed periodically to Boy Scout Troop and Venturing unit leaders as changes occur.
- Most MBCs are affiliated with an ODD unit. The unit has primary responsibility for vetting the qualifications of a prospective MBC.
- The objective of the MB program is to have a broad pool of experts for the Merit Badges and to encourage our Scouts to meet and work with adults other than those they routinely interact with in scouting.

FIXING OUR MBC LIST

- In February 2011 the Dean will send each unit a list of their affiliated MBCs for verification.
- After unit verification, the Dean will compare these inputs to the latest NCAC ODD MBC list for registrations and YPT compliance.
- The Dean will then work with the units to correct or collect missing documents.

2011 MERIT BADGE JAMBOREE

This years Merit Badge Jamboree will be the largest ever held. We have added classes to accommodate the overwhelming registration numbers. We are nearly at capacity and are still trying to adjust schedules so everyone can have a full schedule. As of today we have 382 Scouts registered for 751 merit badges!

The information, including badge prerequisites, is posted on the District Website under the "Documents and Forms" tab at: <http://www.boyscouts-ncac.org/openrosters/ViewOrgPageLink.asp?LinkKey=17130&orgkey=2017>

We will see you at the MBJ on March 5th at Annandale High School.

Judging the Golden Spoon at the Klondike Derby

- The goal is to complete this by the end of April 2011, with those working the MB Jamboree of 5 March taking priority.

Thanks in advance for the effort required to get this right; once we get our names and lists synchronized and validated, updates and adding new counselors will be relatively simple!

KLONDIKE DERBY FEBRUARY 4-6-WITH SNOW!

Over 225 Scouts participated in Old Dominion District's 5th Klondike Derby. These Stampeders traversed the hilly and snowy terrain in search of Gold. A far cry from the harsh conditions of the Yukon Territory in February,

we started out with threats of sleet and rain – not what we were hoping for! But while the sleet and rain hit Fairfax County, the majority of the weekend was cold, crisp, and at points sunny! It turned out to be a great Klondike weekend in Front Royal! There was still plenty of snow from last weekend to make the snowball catapults and at least one patrol took time to

sled down one of the hills.

Saturday morning our young Stampeders equipped with a map of potential claims, personal daypacks, patrol equipment and their personal will, went in search of the patrol and Scout skill challenges. There were stations involving pioneering and knot tying skills, first aid response, fire building, Superbowl ads, dog sled pulling, leave no trace, and auto services – including changing a tire. Much, much, much thanks to the adult leaders who ran the stations – couldn't do a Klondike without the adult leaders providing logistics to get the Troops out to Front Royal and then turning around to spend the day working a station!

By the end of the evening, it was clear that the Seventh Annual Klondike Derby - hard to believe that we did the first one in 2005) - held at the 4-H Center in Front Royal, Virginia was another success enjoyed by both the Scouts and the Scouters! 16 Troops and 1 Venture Crew (T-150, T-683, T-853, T-950, T-1115, T-1140, T-1146, T-1147, T-1318, T-1390, T-1501, T-1511, T-1518, T-1538, T-1853, T-2215 and VC-1501) participated for the 5 top honors this year: Scout Skills, Patrol Unity, Commissioners Award, Golden Spoon, and Stampeders Award. Our Plaques and the Golden Spoon were designed and made by Dave Stelter.

The **Scout Skills Award** recognized the combined scores from 9 of the 17 stations including orienteering, Scout trivia, pioneering, fire building, and first aid. The top three patrols were:

- 1st Place: 2215 Mortal Campers (1st Place Commissioners award last year)
- 2nd Place: 1501 Dream Team
- 3rd Place: 1853 Road Runners

The **Best Patrol Award** recognized those patrols that worked well at problem solving, patrol cooperation, and leadership stations which included the dog sled racing, the teambuilding exercises, fording the river, sports, and the patrol challenges. The three top patrols were:

- 1st Place: 1115 Los Desperados (3rd Place Scout Skills last year)
- 2nd Place: 1853 Pirates
- 3rd Place: 1853 Roadrunners

The **Golden Spoon Award** was presented to the Patrol that provided the best luncheon and saloon show. Our judges this year included our two seasoned judges – Klondike Madams Cathy Hamilton and Susan Woody – along with Commissioner David Best. The competition was extremely close with many patrols bringing the entertainment and food to the judges – see the point scores below!

The winners were:

- 1st Place: 1501 Dream Team (143 Points)
- 2nd Place: 2215 Mortal Kampers (127 Points)
- 3rd Place: 1501 Cinco Caballeros (126 Points)
- 4th Place: 1518 Klondike Bar (125 Points)
- 5th Place: 1853 Dragons (125 Points)
- 6th Place: 683 Flaming Arrows (124 Points)

The **Commissioners' Award** recognized the patrol that demonstrated the best Scout Spirit. Determined by the Commissioners, Claim Jumpers, Station Leaders, and Klondike Staff, the winners were:

- 1st Place: 853 Golden Platypi
- 2nd Place: 1853 Pirates (Also placed 2nd in 2009 in this category)
- 3rd Place: 150 Draco

Finally, the **Stampeders Award** was given to the patrol that discovered (earned) the most gold. This is a combination of not only the 17 Stations and the Golden Spoon, but includes gold earned or lost at encounters with the Claim Jumpers and the banker, as well as gold earned for volunteering to help out. Last year's winners did not place this year – in fact only the Pirate patrol who placed 2nd last year was in the top 4 this year. But this year it was the 1501 Dream Team that finished in first! With determination and desire, they moved quickly through as many stations as they could, prepared a solid lunch, and really sought to come in first. The winners of the overall competition were:

(Continued on page 12)

KLONDIKE RECAP (CONT.)

(Continued from page 11)

- 1st Place: 1501 Dream Team (1063 Pieces of Gold earned)
- 2nd Place: 2215 Mortal Kampers (912 Pieces)
- 3rd Place: VC 1501 Shadow (837 Pieces)
- 4th Place: 1853 Pirates (2nd Place last year and 3 time winners over all!) (836 Pieces)

We had some incredible competitions, great weather (which we again hope to import to the Spring Camporee at Harpers Ferry), and a super staff. Much thanks to the Klondike Saloon ladies: Cathy Hamilton, Cyndy Blake (who will see you again at the Merit Badge Jamboree in less than a month), and our Klondike Madame Susan Woody. Recognition also is given to Jim Templeton for another great job registering our Scouts with on the spot help by Cyndy Blake, to our Health and Safety Rep Dave Stelter, and to our Program Coordinator Dean Stinson. Much thanks to John Gawalt and Commissioners Dennis Ratcliff and Seth Distler for being our Claim Jumpers!

Also many thanks, not only the OA members that continuously support the Klondike, but to Tommy Lundquist for running the OA trading post during the weekend and to the OA team that conducted the Brotherhood Walk and ceremony for eligible Arrowmen attending the Klondike.

There were many reported sightings of the Yeti, but I'm thinking they may have been confused with members of 1511's Yeti Patrol! So...

Mark your calendars for 3-5 February 2012 as we look to pan for gold in Front Royal at the 8th Annual Klondike. Expect new challenges and twists on old ones! Add it to your Troop's annual plan. We'll be looking forward to seeing old friends and new friends in creek beds searching for gold next year!!

TRAINING GALORE in February and March

Sea Scout Winter Training was conducted this past weekend at Camp Round Meadow on top of Catoclin Mountain. There were 185 Sea Scouts and adult leaders there from 15 Ships from as far away as New York. Old Dominion Ships 1176 and 1115 were there pitching in with training, galley duty, and learning. The weather Saturday was definitely not sailing weather. It rained, sleeted, snowed, and everything that came down turned to ice. The power went out for 5 hours and the water line to the camp broke leaving us without water for any of the necessary things. Park maintenance came to the rescue working until almost midnight in the frigid weather and got the pipe repaired so at last we could use the facilities and take a shower. Three cheers for dedicated national park employees. We survived it all, had a good time in spite of the challenges, and came down of the mountain Sunday in time for the Super Bowl (we must keep our priorities straight). Well done Sea Scouts.

New Youth Leadership Training for youth and for leaders will be presented at the University of Scouting. The New "Introduction to Leadership Skills for Crews (ILSC)" and the "Introduction to Leadership Skills for Sea Scout Ships (ILSSS)" will be presented in a joint course for Venturing and Sea Scout youth. There will also be a separate course presented for adult leaders to learn this new course so they can teach it in their crews and ships. The course will run from 9:00 am to 2:00 pm at the University of Scouting at Hayfield High School on Saturday, 26 February 2011. Registration is on the council website, <http://www.boyscouts-ncac.org> under training and University of Scouting. Sign up online. Venturing and Sea Scout Youth are welcome. The ILS course teaches: Unit Organization, The Team Based Crew/Ship, Crew/Ship Organization and Jobs, Servant Leadership, Vision, Communications, Planning, Teaching EDGE, Leadership and Teamwork, Teams and Team Characteristics, Stages of Team Development and Styles of Leadership, Inclusion, and Leadership Ethics and Values.

Venturing Leaders Specific Training (VLST) and Varsity Leader Specific Training (VCLST) will be presented at the College of Adventure, University of Scouting. The courses will run from 9:00 am to 3:00 pm at the University of Scouting at Hayfield High School on Saturday, 26 February 2011. Registration is on the council website, <http://www.boyscouts-ncac.org> under training and University of Scouting. Sign up online.

KODIAK Adult Leader Train-the-Trainer Course, Saturday, 12 March 2011, 9:00am to 1:00 pm, location to be announced. Kodiak is a youth leadership

development course that can be presented as part of a Crew, Ship, Varsity Team, or Scout Troop outdoor high adventure program or long cruise. It is based on the servant leader concept and teaches five leadership skills using illustrations found in nature - effective teams, values/vision, communications, decision making, and planning. This adult leader train-the-trainer course is for any adult interested in learning how to use this youth leadership development course with their youth. You will learn how to teach the Kodiak leadership skills and effectively administer this course during your unit's own high adventure.

Additional information can be viewed on the Kodiak website – <http://www.kodiak-bsa.org>

River Watershed Cleanup day. Last year, volunteers cleaned almost 3 tons of debris out of the Potomac River. This year Scout volunteers will make it 4 tons this year.

Oxon Cove is one of the places that needs the most help and the Venturers, Sea Scouts, Varsity Scouts, and Boy Scouts are the ones to do it. Join other Scouts in this fun and very worthwhile service project. (ALL SCOUTS WELCOME TO JOIN IN THE SERVICE PROJECT.)

So wear your grubbies, and rubber boots if you have them, and come help us preserve our national river. It flows right through our council, so what better place to help. If you do not have rubber boots, no problem – there is plenty to do without getting in the water.

Please email [Adair Petty, ppetty@cox.net](mailto:AdairPetty,ppetty@cox.net) to let us know you are coming.

In addition, we will provide a velcrow wall, climbing wall, and are looking into sailing small groups - launched into the Chesapeake right off the beaches of camp! Your weekend will also include fly fishing, gladiator training (karate), a morning run around camp and much much more than even the oracles could tell you.

The Senator Track will include programs such as: stargazing, astronomy & sign language classes, a tie-dye your toga station, possible sandal making, basket weaving and the like. These areas will be made to incorporate all that we can from requirements of the bronze and gold awards.
